# INDICES OF DEPRIVATION A POWER BI SNAPSHOT

**This Power BI visualization, based on the English Indices of Deprivation 2019 and Warrington Borough Council reports, is crafted to showcase my analytical skills and eagerness to contribute as Warrington Council's Assistant Data and Intelligence Officer.**

**Please note, the data is real-time and not validated, intended for illustrative purposes to highlight my potential contributions to data-driven decision-making at the Council.**

## COUNCIL SPENDING OVER £500 EXPENDITURE TRACKER : POWER BI SNAPSHOT

This Power BI dashboard, intricately designed, delves into the financial intricacies of Warrington Council's spending patterns, utilizing data directly sourced from the council's official open data portal. It stands as a reflection of my ability to transform raw, complex data into insightful, easily interpretable visual narratives.

I crafted this as a testament to my dedication and readiness to step into the role of Assistant Data and Intelligence Officer, showcasing my knack for unveiling meaningful insights that can drive informed fiscal decisions.

Note: This work is an illustrative example, a personal rendition to articulate my skills and passion, not validated or published publicly, but tailored to offer a glimpse into my potential role in enhancing the council's data intelligence and decision-making framework.
